

How to find articles from the Paul Smith's Library webpage

From the Paul Smith's Library homepage click on the "Find Articles" tab:

I want to find a database by subject area

I want to find a specific database

I want to find a specific journal or magazine

Database- A collection of data that is organized so that its contents can easily be accessed, managed, and updated. A database helps you search for articles within a large group of journals at once.
