If you are a student with a disability, please let us know that you are planning to attend Paul Smith's College by completing the Disability Accommodation Services Request on the back of this card. The card is designed so that you can fold it over, seal the top, and return it to us in a confidential manner. We recommend that you complete and return this card, even if you think you will not require services. **If you have questions, please call 518-327-6414 or send an E-mail to accommodativeservices@paulsmiths.edu**

The Center for Accommodative Services (CAS) coordinates appropriate accommodations for students with a disability based on the recommendations in the documentation. Individuals who request academic or housing accommodations should submit documentation of their disability prior to the New Student Orientation. Requests for academic accommodations are discussed with the learning specialist; requests for special housing accommodations are coordinated with the Student Life Office.
