

Guidelines for Preparing your Letter of Appeal for Academic Suspension

1. Your letter should be addressed to the Academic Standards Committee.
2. It is important that you take responsibility for your academic standing and provide a clear explanation as to why you should be considered for reinstatement.
3. If there are extenuating circumstances that contributed to your low grades you should explain those.
4. If you were in the Academic Recovery Program this past semester, you should discuss whether or not you met all the requirements set forth by the Committee and PSC policy (tutoring, class attendance, weekly meetings with your advocate).
5. If you feel you took additional measures outside ARP requirements (sought help with CAS or Counseling, met with your instructors for extra help, participated in study groups, did extra credit assignments, etc.) you should also describe that in your letter.
6. If you were not in ARP, you should describe any measures you took to obtain support to improve your standing (tutoring, SI, meeting with a Success Coach, worked with CAS or Counseling, met with instructors, formed study groups, did extra credit, etc.).
7. Be thoughtful in describing any (and all) changes you plan to make to turn around your standing (repeating courses, limiting your social activities, etc.) should you be reinstated.
8. Letters should be emailed from your **PSC email account** and sent to the Registrar's Office in care of Jane Carlin: (jcarlin@paulsmiths.edu). Your letter can also be faxed to the Registrar's Office at fax number 518- 327-6951.
